Civil War High Commands John Eicher 2002-06-01 Based on nearly five decades of research, this magisterial work is a biographical register and analysis of the people who most directly influenced the course of the Civil War, its high commanders. Numbering 3,396, they include the presidents and their cabinet members, state governors, general officers of the Union and Confederate armies (regular, provisional, volunteers, and militia), and admirals and commodores of the two navies. Civil War High Commands will become a cornerstone reference work on these personalities and the meaning of their commands, and on the Civil War itself. Errors of fact and interpretation concerning the high commanders are legion in the Civil War literature, in reference works as well as in narrative accounts. The present work brings together for the first time in one volume the most reliable facts available, drawn from more than 1,000 sources and including the most recent research. The biographical entries include complete names, birthplaces, important relatives, education, vocations, publications, military grades, wartime assignments, wounds, captures, exchanges, paroles, honors, and place of death and interment. In addition to its main component, the biographies, the volume also includes a number of essays, tables, and synopses designed to clarify previously obscure matters such as the definition of grades and ranks; the difference between commissions in regular, provisional, volunteer, and militia services; the chronology of military laws and executive decisions before, during, and after the war; and the geographical breakdown of command structures. The book is illustrated with 84 new diagrams of all the insignias used throughout the war and with 129 portraits of the most important high commanders.

Family Nibbles - Volume 4 Mark Jarvis "Family Nibbles - Volume 4, Stories of Our Jarvis Ancestors 1680-1800" is a compilation of stories from the blog site familynibbles.com. These stories include genealogy research on one line of Jarvis families in early Pennsylvania and Maryland. In fall of 1683, Elizabeth Jervis and her two children disembarked their ship at Chester, Pennsylvania. That's the moment that our Jarvis ancestors first arrived in America. This volume begins the story of our Jarvis family in America. We've been here for a long time. We'll follow the first three generations of our family as they experienced America from 1680 to 1800. These were common folk. They had successes and troubles. They had legal scrapes. Just when it seemed like they'd made it, some setback would knock them down. And when each generation suffered an economic hardship that made their lifestyle unsustainable, they chose the risk of moving west into frontier lands.

Drumore Quakers' Precious Habitation D. Douglas Miller 2016-06-15 Built in 1816, the Drumore Quaker meetinghouse in southern Lancaster County, Pennsylvania, was home to the Drumore Friends Meeting for 120 years. Quakers moved to the area at the turn of the 19th century and became part of Little Britain Monthly Meeting. Many of its members were active in the Underground Railroad at mid-century, as were other Quakers throughout Lancaster County and elsewhere. By the early 20th century the meeting was in decline, but members who were concerned about the preservation of the meetinghouse and cemetery formed the Drumore Cemetery Association. Many of those Friends are pictured below at the time of the meetings 1916 centennial. The association has faithfully maintained the property and in 2016 is commemorating the 200th anniversary of the building of the meetinghouse.

Colonels in Blue--U.S. Colored Troops, U.S. Armed Forces, Staff Officers and Special Units Roger D. Hunt 2022-06-23 The fifth and final volume in the Colonels in Blue series, this book covers Civil War Union colonels who commanded regiments of the U.S. Colored Troops, the U.S. Regular Army, the U.S. Marine Corps and the U.S. Sharpshooters. Colonels who served as staff officers or with special units, such as the U.S. Veteran Volunteer Infantry, the U.S. Volunteer Infantry, the Veteran Reserve Corps and various organizations previously undocumented, are also included. Brief biographical sketches cover each officer's Civil War service, followed by pertinent details of their lives. Photographs are provided for most, many published for the first time. Rosters of the colonels in each category include those promoted to higher ranks whose lives are documented in other works.
